A Message from Headmaster Fung

Dear Class of 2003,

A yearbook provides a historical record of the deeds of the students and faculty members: their accomplishments, their adventures, their successes and their failures, their joys and, sometimes, their sorrows. This past year we have accomplished much: the highest Proficiency Index among the district high schools in the MCAS tests; going to the fourth consecutive state championship game in basketball; and a Super Bowl appearance in football.

A yearbook is also the place where we look forward. Under our pictures, our friends made their predictions of us: most likely to make an NBA team, first to become a rock star, most likely to become a successful lawyer, chef, or forensic scientist, and so on. Sometimes we also stated our aspirations: by thirty we would be millionaires. In doing so, we said something about ourselves, so that years from now when people flip through these pages, they would know that once upon a time we, in our youthful innocence, have all had all kinds of hopes and dreams.

So, for the seniors, I must once again remind you what these four years are about. Your teachers and I want you to be an *educated* person: one who is literate, with a sense of the past, a vision for the future, an appreciation of the arts, a feeling for the suffering of the less fortunate, a commitment to decency and honesty, and a willingness to serve the community.

We try to instill in you a love of learning and a passion for excellence. We expect you to be independent learners and achievers all your lives. We want you to be able to appreciate the fruits of human achievements. Above all else, we hope that you would never be indifferent to human suffering and possess the moral fortitude to challenge inhumane deeds in adverse times.

Years from now, when you too flip through these pages to reminisce about your younger days, I hope that you can say, yes, I have learned all that and I live it!

Football

The Charlestown Townie Team started off the season with an impressive 26 - 6 drubbing over West Roxbury High. Captain Bucky Jones put in another stellar campaign as he led the team into the Division VII Super Bowl. The defense allowed only 36 points during the regular season as co-captain Terry Brooks led the team in tackles. All-Stars Chris Schievink, Jerome Tavares, Jason Flint, Dillon Libert and Jerome Warrell performed in an excellent capacity. The sophomore sensation Jason White was clearly the best runner in the city, playing along side Jason was Joe Hobbs, the heir apparent to Bucky Jones. A shocking 34 - 0 upset ruined an almost perfect season, 10 - 1.

Soccer

The 2002 fall season of soccer was challenging and fun. The team, lead by co-captains Ruben Bayona and Alejandro Jaramillo, finished the season 2-7-1. Though plagued with injuries, the team held strong and the overall record does not reflect the closeness of many games. Some highlights include senior Jose Vega scoring four goals against South Boston High and Jose, Alejandro, and Hok Chong Chiu being named to the all-star team. Xue Biao Zhao received an award as a scholar-athlete.

Volleyball

Volleyball is not just a sport. It is a chance to unite with people who have the same interest as I do. Volleyball is a game in which I express myself not only on a physical level, but on an emotional level as well. When times in my senior year became challenging, I turned to volleyball to help release that stress. I learned teamwork while also having fun. Even though the volleyball team did not win the state championship, we supported each other the whole season. There was one time when a player did not believe she could serve. The team and the coach encouraged her to try and in one game she scored three points. Thanks to everyone who supported the CHS volleyball team, our coach, Mrs. Hoyos and the players.

Boy's Basketball

This was the greatest season because our team got along great. We won the city championship and are now on our way to the state championship. For me, the highlight of the year was when we played well against the Burke and East Boston.

Girl's Basketball

The girl's basketball team has been on fire for the past 2-3 years. Last year the girls made it to the cities and won, but lost in the 1st round of the states. This year our record is 15 and 1. Also, we made it to the cities for the second time in a row. Even though our starting five, Alexandra Ventura, Lakia Cater, Tawanda Brown, Tatianna Tate, and Patricia Rosario played a hard and fair game, unfortunately we still lost. Our best game was against Latin Academy. Coach Perkins and Coach Hoyos prepared the team for a hard game against Lindsey and her crew. In the end, both teams had a tied record.

Swimming

Once again the Charlestown High School swim team enjoyed a successful season. With a combination of veteran and first year swimmers, coached by Mr. Carroll, the team was able to put together an exciting season--either winning or taking their opponents down to the last event.

Cheerleading

Even though the cheerleading squad did not compete this year, we brought the Charlestown spirit to many sports games. This year was my first year cheerleading and it was a great experience. For me, the best game of the season was the football game against the Burke on Thanksgiving. All of our hands were numb, but our voices were strong and we brought home the victory.

Indoor Track

This season was one of hard work and a tremendous amount of effort. The Charlestown High School Indoor Track and Field team continues to make CHS history as the best running team for the fourth year in a row. Great performances have come from Nayel Theagene, Jordanny Pierre, Ahmed Ali, Terry Brooks, Gardy Doneval, Durrell Queen, Wilnick Tunis, and Astrid Gilles.
